## **Choose Sage Payroll Services if you want:**

- Experienced professionals to process your payroll.
- A Penalty-free Guarantee<sup>3</sup> to protect you from payroll-related fines.
- A solution for Federal, State, and Local payroll tax preparation, filing, and payment.

## **Focus on Your Business, Not Your Payroll**

We maintain changes to tax rules and rates; file and deliver W-2s at year end; remit federal, state, and local tax collections; prepare and submit federal, state, and local payroll tax returns; and process all payroll checks and reports for you.

## **Real People, Real Expertise, Real Service**

The people behind Sage Payroll Services are specialists in the payroll industry. You'll be amazed at what they can do for you—get you set up, guide you through your first payroll, and handle any issues or changes that might arise.

## **Getting Started Is Easy**

Just enter your employee payroll information and we'll do the rest. If you prefer, we'll enter all your payroll data for you.<sup>4</sup> If you currently use ADP, we can import most payroll data from the file provided by ADP.

## **Stay in Control**

Unlike other full-service solutions you have the ability to verify your payroll is accurate before you receive the checks in the mail. Simply enter your payroll data online via a secure website, review the net-to-gross totals, and approve your payroll. Within minutes you can review your reports and checks. We can print and deliver paychecks to you, or you can print them from your desktop printer. You have 24/7 access to update your information when it's convenient for you.

Simplify your payroll processing today.

# In-House Payroll

(\$625 and an annual ClientCare agreement)

## **Choose the Payroll Module if you want:**

- To manage payroll in-house within your Sage BusinessWorks software.
- Complete control of your payroll.
- Accurate Payroll Calculations.

## **Complete Control**

We provide the tools to help you confidently manage your own payroll.

## **Accurate Payroll Calculations**

It's as easy as downloading the latest tax table update, then entering the payroll hours for your employees. The Payroll Module automatically calculates earnings, and federal and state payroll tax deductions.

## **New! Print-N-Sign Tax Forms<sup>6</sup>**

With an active ClientCare Plan the Payroll module compiles the payroll data for your 940, 941/941 Schedule B, 943, 945, W-2, and W-3 forms and carries your basic data directly into your federal and state filings so you can print signature-ready tax forms. Plus, it includes over 250 forms including forms for all 50 states. Most state and federal forms can be printed onto blank paper, saving you from having to purchase pre-printed payroll tax forms. Just review it, print it, sign it, and mail it.

## **New! eFile**

eFile your payroll tax forms and payments as well as 1099s directly from within Sage BusinessWorks. Plus W-2 and 1099 processing services are available to print, stuff, and mail your vendor/employee copies of your W-2s and 1099s, eFile the state and federal copies, and provide a plain paper copy for your records. For more information visit [www.aatrix.com/sagebusinessworks](http://www.aatrix.com/sagebusinessworks).\*

## **Direct Deposit**

Take advantage of direct deposit to make paydays easier for everyone! Employees' paychecks go directly to their bank account.

\*eFiling provided by Aatrix eFile service. Additional fees apply.
