

SAGE MAS 500

PAPERLESS AR STATEMENTS

BENEFITS

- Electronic delivery of customer statements - fast and efficient
- Archive the PDF version of your statements
- Unique dunning messages specific to electronic delivery

Companies strive to improve communication with their customers. Paperless Invoices and Statements provide an easy and efficient way to update customer account status.

Paperless Invoices and Statements

- Maintain, by customer, the email address for delivery of customer statements
- Reduce consumption of expensive paper forms and eliminate related postage costs

Email Invoices and Statements

This EASY Solution™ provides the ability to email invoices and statements.

At the Maintain Customer task, identify the primary contact to receive email notifications of account statements. From the EASY Solutions Control Center, select which customers will receive electronic delivery of customer statements.
