ESC Software Offers 90-Day No Cost Financing For New Customers

Tempe, AZ—November 7, 2005 – ESC Software today announced a new financing option for new purchases of software and implementation services. The program, termed the **ESC Software 90-Day Advantage**, provides free financing for 90 days on purchases from ESC Software of Sage MAS 90, Sage MAS 200, Sage MAS 200 SQL, Sage MAS 500, and Sage BusinessWorks.

“We are pleased to offer an easy, straightforward purchasing option for our new customers,” said Alan Hardy, president of ESC Software. “The ESC Software 90-Day Advantage lets customers stretch the price of software and implementation services out over 90 days, and costs them nothing additional. It’s a unique program, and we believe it will be a popular program.”

The program requires a 25% down payment, with another 25% due in 30 days, another 25% in 60 days, and the balance due in 90 days. Both software and implementation services are eligible for the free financing.
