

AccuPOS Application Pricing

How do I figure out the pricing of Sage MAS AccuPOS Point of Sale?

For each location you need to purchase an AccuPOS Platinum Edition Workstation License (\$2250) and for each additional workstation at each location you will purchase the AccuPOS Platinum Additional Workstation License (\$995).

Along with each location you are required to purchase annual support and maintenance for the first year. (\$830 for each location, \$300 each additional station at each location). This includes one year of annual support, maintenance and upgrades.
