*Sage reserves the right to determine if and when Hot Fixes will be issued.

Please note that as of 2/1/11 Sage has exited the Sage ERP MAS 90 and 200 Extended Solutions business and will provide limited support for select titles scheduled to be incorporated into the core product. The main features and functionality of those select Extended Solutions titles have been and will continue to be incorporated into the core product in Product Updates and product releases through version 4.5. For more details, please refer to SageMAS.com and other published information on Sage ERP MAS 90 and 200 Extended Solutions.
